

Share your VA story to help other Veterans.

Powell Strategies is seeking Veterans and family members to participate in a national outreach video campaign on behalf of VA to raise awareness about VA benefits and services.

If you are a Veteran or family member who has received VA benefits, you can help.

We will be conducting on-camera, professionally filmed interviews on behalf of VA to talk about your experiences with VA benefits and services, including health care, education and employment support, and memorials – or other benefits you have received from the VA.

Upcoming Interview Location:

MINNEAPOLIS, MN

Interview Dates:

Fri (10/18), Sat (10/19), Sun (10/20)

Your shared story could convince another Veteran or family member to take advantage of the VA benefits or services they have earned.
